

## Special Education Designee

The School District of Bonduel hereby designates the following individuals to serve as designee of special education programs covering Early Childhood through grade twelve:

Mrs. Julie LaBerge, Director of Pupil Services  
Mrs. Janelle Peters, School Psychologist

Responsibilities of Designee include developing and reviewing Individualized Education Program Team Evaluation Reports; approving eligibility and placement of students in special education programs; and representing the school district regarding the development and implementation of Individualized Education Program (IEP) plans.

This designation allows Mrs. LaBerge and Mrs. Peters to complete and approve all forms relating to special education programming, and to serve as the district representative who ensures that state and federal guidelines are being followed. Such monitoring is necessary when considering initial referrals or continued placement in special education programs.
