Forward Exam

Students in grades 3 - 4 in English Language Arts (ELA) and mathematics, and grade 4 in Science and Social Studies, will be participating in the Forward Exam. One or more sub-tests are administered daily during the identified time frame (March 18 - April 26).

Summer School

Summer School materials have been sent home with all BES students. Many new classes will be offered, and students will have an opportunity to extend their learning this summer. They can ride the bus to and from school, eat a free breakfast and lunch, and have a lot of fun! Please sign up by May 3rd!

The Summer Food Service Program, funded by the U.S. Department of Agriculture and administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer. Even if your child is not registered for summer school, they are still eligible to attend the breakfast and lunch program. Often, travelers who have children 18 years of age and under, are looking for a place to stop for breakfast or lunch. There are many organizations like ours throughout Wisconsin that provide free healthy meals to children throughout the summer. You may use one or more of the following resources to find your nearest location:

Title 1 Conference

The first week in April is always exciting in the world of Title 1. It means that the Wisconsin Title 1 Association is hosting their annual two-day training for teachers throughout Wisconsin.

This year we were lucky enough to take four teachers to this awesome gathering! Mrs. Westrich, Mrs. Salerno, Mrs. Oliver and I headed down to the Dells and got ready to learn. Day 1 included two keynote speakers: Stephanie Stoller and Holly Lane. Stephanie talked to us about the importance of having multi-tiers of supports for students and Holly shared her phonics program called UFLI with us.

Day 2 also included two keynote speakers. Julia Lindsey talked to us about fluency in the morning and in the afternoon, Brent Conway talked to us about how systems and leadership play a huge role in the success of a school.

As a teacher we do a lot of teaching, but sometimes we need to have some teach us as well. It's safe to say that all four of us came home with a bunch of things that we learned. We are looking forward to sharing it with the staff at BES.
