Driving privileges may be suspended for any violations. City/County ordinance fines may be issued for disorderly conduct with a motor vehicle.
3. No vehicles are to be moved from the parking lot at any time during the school day, including noon break, without special permission from the principal/office.
4. Any tampering with, or damage to, either student or faculty vehicles, will be reported to law enforcement.
5. Litter in the parking lot (bottles, paper, etc.) is prohibited. This includes evening events.
6. Obey entrance and exit signs and speed zones. Students shall leave the parking area by way of Shioc Street.
7. Snowmobiling is prohibited at all times.
8. The nonrefundable rental fee of \$20 per year must be paid prior to parking your motor vehicle at school.
9. Vehicle(s) must be registered in the high school office at which time a parking tag is issued. The vehicle must be parked so the tag is clearly visible. Changes in vehicles driven to school must be made in the high school office any time a different vehicle is parked in the school parking lot.

11. Students are reminded that the possession of guns or other weapons, ammunition, drugs, alcohol tobacco products or any illegal objects is prohibited at all times on school grounds. This includes any vehicle that the student has driven onto school grounds. Objects left in a student's vehicle are legally considered to be "in their possession."

I have read the rules and regulations listed above and agree to follow these regulations. Any student who has not signed this form will not be allowed to park on school grounds. All students are required to follow these rules and regulations even if they have not signed this form.
