1. Students should take pride in their work in individual singing and as a member of an ensemble. The following characteristics are expected in the choral classroom: Respect, Listen, Focus, Teamwork, and Self Control. School rules apply to this class; see student handbook.
2. Each student is responsible to take care of music. When a folder and music are designated to a student, it is the responsibility of that student to maintain and return the music in good condition. Having a pencil in the folder is also expected.
3. No food, drink or gum allowed during rehearsal without prior approval. Water is allowed. Please keep all rehearsal areas neat and clean.
4. Concerts are formal events which provide the opportunity for students to showcase all of their hard work and preparation. We ask that students dress up. Band and choir students may wear the black and white attire required for a band performance. For choir students, dress pants and dress shirt, skirt/dress, and dress shoes. No denim, flip flops or clothing with writing or brand logos.
5. The success of the choir depends on you, the individual becoming a working member of the choir team. We need to make it a priority to strive to improve our skills.
6. Grading will be determined using the following: (This is a performance class. **Participation in concerts is mandatory.** If a student is absent from a performance, the student must bring in a note from home explaining reason for absence. An **unexcused absence** from a concert will significantly lower the quarter/semester grade. **Excused absences are illness or emergency**, and an alternate assignment will be given to make up a majority of the points. Student still must bring in a note from home explaining the absence.
