

Bonduel Elementary School

Early Childhood Education Program

3K Program

The School District of Bonduel is excited to announce beginning February 2nd, we will be accepting registrations for our all day every day 3K Program for the 2026-2027 school year! This no cost program conveniently takes place in the Bonduel Elementary School and will follow the school calendar with one Friday off per month for our Little Bears Play Group. Children will enjoy a safe, fun, play-based curriculum with music, art, snack, and stories while growing confidence and independence in a school setting. Children must be 3 years old by September 1st, 2026, and independently and consistently potty trained for at least 2 weeks prior to attending 3K. The certified staff is experienced in providing high quality Early Childhood education, in a safe and nurturing environment. Parents must provide transportation to and from school, however, a 3K student who has an older sibling will be allowed to ride the bus.

Because a limited number of students are allowed, out of district 3K students will be placed on a waiting list and families will be notified 06/12/2026 as to their enrollment status in our 3K program. Out of district applications are due April 30th, 2026. Any out of district applications submitted after April 30th will be subject to administrative review.

We encourage families interested in touring our 3K program to attend one of our monthly Little Bears Play Groups where families will have an opportunity to talk with the 3K teachers, see a classroom, and ask any questions you may have. For more information or to enroll your child in the program, please call 715-758- 4850 Ext. 820 or check out our website at www.bonduel.k12.wi.us.
