## General Information

### **Schedule:**

All Day Every Day from  
8:07am - 3:04pm

### **Location:**

Bonduel Elementary School

**There is NO COST for this program!**

### **To qualify:**

Students must be 3 years old by  
Sept. 1st, 2024 and potty trained.

### **Transportation:**

Parents must provide transportation  
to and from school, however, a 3K  
student who has an older sibling will  
be allowed to ride the bus to school.

## Areas of Emphasis

The 3K curriculum will be developmentally-appropriate with play-based instruction in the following domains:

### **Communication and Early Literacy:**

- Verbally interact with peers and adults
- Expand vocabulary
- Verbal turn taking during play
- Exposure to books through stories and play

### **Social Emotional Skills:**

- Work and play with peers
- Listen and follow directions
- Learn to be kind...be a Bonduel Bear!
- Learn school routines
- Grow independence
- Build confidence and security within the school environment
- Learn self-regulation skills

## **Health and Physical Development:**

- Use strength and control to learn fine motor tasks and explore a variety of sensory materials
- Grow confidence with their gross motor skills while learning to perform large motor tasks through our program and activities throughout the day.

## **Cognitive Development:**

- Observe and make discoveries
- Learn to classify and show awareness of cause and effect
- Experience learning through play
- Early exposure to letters, numbers, shapes, colors, and sorting
- Problem solving
