WHAT: The Little Bears Birth to Five Play Group is a fun monthly get together for **all families** in the Bonduel School District who would like to come to the elementary school with their children ages infant to 5 years old and enjoy a morning of music, snack, art, play time, and a story! **Parent Education information is provided for interested parents!**

WHEN: One Friday of Every Month (September – May) from 8:30 -10:00 am (see dates below)

WHERE: Bonduel Elementary School – Located in the 3K classrooms

EARLY CHILDHOOD SCREENING DETAILS: If you have concerns about your child's development and would like to have his or her overall development screened by the school, we would be happy to help! Parents who request their child be screened by the school district may be asked to fill out a questionnaire regarding their child's development while their child is observed during our play group. Specialists in the early childhood field will be available to address any questions or concerns raised by parents. Information regarding child growth and development as well as information regarding resources and services available within the community can be shared. **The play group and screening are entirely FREE!**

****IMPORTANT: Screening is NOT mandatory for your child to participate in the monthly play group or in the 3K or 4K programs. All families are welcome at play group as often as they'd like. We'd love to see you every month! 3K and 4K registration can simply be done by calling the Bonduel Elementary School Office at (715) 758-4850 and scheduling a time to come into the office to fill out registration forms.*
