Paperless Report Cards

The teachers have prepared your child's report card. All grades have been entered and available for your review in Family Access. When you log into Family Access, enter your password, choose "Portfolio" and then choose the student you wish to view. Next click on "Standards Report Card" and then "Open". Screen pictures of what you will see are noted below and on the back of this letter.

If you are unable to access this information electronically and would prefer a paper copy, please contact the elementary school office at 715-758-4810. Thank you for your help as we reduce the number of paper copies that are sent home.

A paper copy of report cards will be sent home with your child in early June. It will contain all grades from the entire school year noted by quarters. Should you have any questions about this process, please do not hesitate to give me a call at the number noted above.
